Claim Filing & Settlement Procedure — Sample Document (For Testing Purposes Only)

Document No: ACM-CLM-2026-001 | Effective Date: January 1, 2026 | Version: 3.2

1. Purpose

This document outlines the standard operating procedure for filing, reviewing, and settling an insurance claim with Acme Mutual Insurance Company. It applies to policyholders under Auto, Home, and Health policy lines. This is placeholder content generated for application testing and does not represent an actual insurance policy or legal document.

2. Eligibility Requirements

A claim is eligible for review if all of the following conditions are met:

- The policy was active on the date of loss.
- The incident falls within the covered perils listed in the policy schedule.
- The claim is reported within 30 days of the date of loss.
- All requested supporting documents are submitted in full.

3. Step-by-Step Claim Procedure

Step 1 — Notify Acme Mutual

Report the incident within 30 days via the online portal, mobile app, or claims hotline at 1-800-555-0199.

Step 2 — Obtain a Claim Number

A claim reference number (format: CLM-YYYY-NNNNNN) is issued immediately upon submission and should be used in all further correspondence.

Step 3 — Submit Supporting Documents

Upload required documents (see Section 4) within 10 business days of filing.

Step 4 — Claims Adjuster Review

An adjuster is assigned within 3 business days and may schedule an inspection or request additional information.

Step 5 — Determination

Acme Mutual issues a written determination (approval, partial approval, or denial) within 15 business days of receiving complete documentation.

Step 6 — Settlement Payment

Approved claims are disbursed via direct deposit or check within 5 business days of the determination letter.

Step 7 — Appeal (if applicable)

Policyholders may appeal a denial or partial approval in writing within 60 days of the determination date.
